

*These fine Selberite Arch Preservers illustrate
a standard of shoe-making which is the
special pride of Northamptonshire in general
and of Manfield in particular.*

'Grosvenor' . . . this classic brogue from our fine collection
of hand sewn shoes is one of the styles demonstrated by our own
shoemakers in the Power and Production
Building at Southbank during
the Festival of
Britain.

English Craftsmanship

THE high prestige of English Men's Shoes in the markets of the world is the result of undeviating adherence to the most exacting standards of quality and workmanship.

In the finest stores of the United States of America, Canada, Australia, the West Indies and wherever men's good shoes are sold, the products of the House of Wilson & Watson worthily play their part in the maintenance of this great tradition of quality and craftsmanship.

NORTHAMPTONSHIRE RECORDS

The delightful setting of 13th century Higham Ferrers is the hub of one of Northamptonshire's most progressive shoe-making firms—John White (Footwear) Ltd.—whose Head Offices are within a stone's throw of the fine mediaeval church with its octagonal crocketed spire rising 170 feet above the Ancient Borough of Higham Ferrers.
